Sunday, March 26th – Delaware State University, Dover, DE

The 42nd Annual Easterseals/CAI Volleyball Challenge is a fundraising event benefiting children and adults with disabilities in Delaware and on the Eastern Shore of Maryland. We are excited to announce that our event this year will be held in **TWO** locations on **TWO** different dates. As a sponsor this means double the possibilities – double locations and double the exposure for your business.

Do you want your sponsorship to make the biggest impact in the community? By becoming a sponsor, you support Easterseals services that create life-changing possibilities for people with disabilities and their families. In addition, this event is a great “team building” opportunity and a wonderful way for your employees to have fun, get exercise, and network while raising critically needed dollars for Easterseals’ programs and services. Your participation in the Volleyball Challenge truly makes a difference to people in our community, over \$5.8 million dollars has been raised through this event since 2001.
